

BEACON FAIRY WALK

October 4th-10th

FAIRY HOUSES WILL BE DISPLAYED AT SEVERAL BEACON PARKS PLUS AT-HOME & INDEPENDENT MAGICAL ACTIVITIES!

RSVP and sign up for alerts at fairywalk.com

Thank you to our sponsors

Beacon Fairy Walk is a fiscally sponsored project of BeaconArts, a 501(c)3 not for profit organization. To donate, please [click here](#).

This Fairy Folio Belongs to:

We're so excited you decided to join the Beacon Fairies in creating a week of magic with your community. Fall is one of the Fairies' favorite times of year because they come down from Mount Beacon, closer to all the humans, to do some special play and work. The Beacon Fairies not only help make the trees colorful, but they also help the leaves fly to the ground in preparation of a sparkly winter! Keep your eyes out this week as you see leaves floating to the ground- a Fairy may be along for the ride. The Beacon Fairies enlisted some of their human friends to create a week of crafting and fun!

Each day a new activity will be listed on our website, www.FairyWalk.com & our Facebook page: www.Facebook.com/BeaconFairyWalk.

If there is a virtual video, you will find it posted by 9am, except Storytime which will post at 11am. Do one or all of the events, it's up to you. You can do the activities on the days we suggest or anytime during the week. If you complete 2 or more, you will be given a password to go pick up your Fairy Crystal Ball. Let us know when you've completed an activity by emailing us a picture at beaconfairywalk@gmail.com or posting to our socials. Please use the hashtags:

#BeaconFairyWalk #BeaconFairies #FairyWalkWeek and/or #FairyWalk

We hope you enjoy seeing the homes that were created by the community for the fairies to enjoy during their stay. Some of the homes were part of the Beacon Fairy Walk last year, and some are new! Visit the fairy homes at Polhill, Riverfront, and Memorial (behind Wee Woods) Parks during the week. Remember, it's important we keep the Beacon Fairies and each other safe: mask up, be kind, and keep 6 fairy wings apart. Who's ready to make some magic?

Join us in some or all of these activities!

10/4: Watch the virtual video to learn how to make your own fairy house with Audrey Posteraro and her daughter at FairyWalk.com or our Facebook page. You can put your fairy home in your own backyard or display it in the Beacon Parks with the other fairy homes.

10/5: Beacon artist, Cyrus Quadland has created magical drawings for you to paint or color! Use crayons, markers, paint, colored pencils- whatever you want. Color one or all three (found in this booklet). Hang your artwork in your window so we can let all of our neighbors know that the Beacon Fairies are here!

10/6: Let your imagination run wild during this magical rock painting session with local artist and Beacon Fairy Walk production manager, Gineyda Diaz. Video posted at FairyWalk.com & our Facebook page. Keep your rocks in your yard or home or display them in the Beacon Parks with the fairy homes.

10/7: Story Time! Join Howland Library's own Miss Ginny on our Facebook Page for a Fairy Storytime! It will also be posted at Howland Library's Facebook page. Posted at 11am.

10/8: Make your own magical fairy wand with Beacon Artist and Beacon Fairy Walk Designer, Lauren Donnelly. Virtual video posted at FairyWalk.com and our Facebook page.

10/9: Listen to Fairy Walk's cast members as they share their talents at FairyWalk.com and our Facebook page. Dance & sing along!

10/10: If you've completed 2 or more activities, receive the password via email, and Head over to Hudson Beach Glass to receive your very own Fairy Crystal.

Gather these materials and join in on the fun during the week! Follow our Facebook page and www.fairywalk.com to access instruction videos.

FAIRY HOUSES

with Audrey Posteraro

Every fairy needs a wee home to live in! Watch on 10/4 to learn how to make your own fairy house with Audrey.

Suggested materials you will need:

- Your imagination
- Small birdhouses (or sticks or cardboard to build a structure)
- Paint, markers, crayons, etc.
- Bag or moss, pine cones, grass, etc.
- Accessories and found "trinkets", buttons, shells, beads. For example flowers for a flower fairy, clear stones for water, etc.
- Glue, Glue glitter or liquid spray glitter (please no loose glitter if you plan on displaying your house in one of the Beacon parks)

FAIRY IMAGINATION STONES

with Gineyda Diaz

Let your imagination run wild during this magical rock painting session on 10/6.

Materials you will need:

- rocks
- Acrylic paint - assorted colors
- Paint brushes (any brush size will do. Consider different sizes for more detailed art)
- Medium, and large Sharpies
- Toothpicks
- Sponge and painters tape (optional)

FAIRY WANDS

with Lauren Donnelly

Make your own magical fairy wand! Follow Beacon Artist and Designer, Lauren Donnelly for step by step instructions on 10/8.

Materials you will need:

- Sticks
- Ribbon, wire, string, yarn, etc.
- Beads and small stones of any color
- Scissors or Wire cutters
- Paint
- Glitter glue, hot glue or tacky glue

1. Make Your Own Fairy House!

What materials are you planning to use? Write them down or draw a picture below.

2. Color Fun!

What do you think is happening in each picture? Write or draw your answer below.

3. Let your imagination run wild during this magical rock painting session!

Write or draw some ideas for your Imagination rocks before you get started. What special place will you keep your rocks once they are complete?

4. Story Time!

What was your favorite part of the story? Write or draw it below.

5. Make your own magical fairy wand!

What materials will you use? What does the fairy look like who may use this wand? Write or draw your answers below.

6. Fairy Music!

What are some of your favorite songs and why? Write or draw a picture below.

7. Collect your very own Fairy Crystal Ball.

How do you think a Fairy Crystal Ball is used? Draw a picture or write a story about it below.

8. My favorite part of Fairy Walk Week was:

Write or draw your answer below.

Thanks for joining the Beacon Fairies!
